Puede encontrar un médico o centro a través del **directorío de búsqueda de proveedores en línea** de Aetna. Este directorio se actualiza seis veces por semana. Tenga en cuenta que no se puede garantizar la disponibilidad de algún proveedor en particular.

Cómo encontrar un médico o un centro

1. Ingrese en <http://www.aetna.com>.
2. Continúe como invitado y complete los campos obligatorios.

The screenshot shows the Aetna directory homepage. On the left, there's a purple sidebar with options for members and non-members. The main area has a search bar labeled "Where do you want to find a Provider?" with a placeholder "Enter a 5-digit zip code, city, state, or county". Below it is a "Look within" section with a slider set at "25 Miles" between "0 Miles" and "100 Miles". A large grey arrow points from the right side of the search bar towards the explanatory text on the right.

Ingrese su código postal de 5 dígitos, ciudad, estado o condado para comenzar la búsqueda de un proveedor.

3. Seleccione “Aetna Open Access Plans”.
4. Luego elija “Aetna SelectSM (Open Access)”.

Why is choosing a plan so important?

- * Pay less if you use a provider that accepts the plan
- * Find the highest level of coverage from a provider under the plan
- * Confirm doctors are accepting the plan

The screenshot shows a dropdown menu titled "Aetna Open Access Plans" with three options: "Aetna Choice® POS II (Open Access)", "Aetna SelectSM (Open Access)" (which is highlighted with a grey circle), and "Elect Choice® EPO (Open Access)".
